Thank you for always staying on top of issues like this. The faster we remove these small issues we prevent illegal encampments from starting in your area.

Dear SLO Guerra:

We have a shopping cart that was abandoned over this past weekend on Seward (East Side) which is between Hollywood Center Studios Parking Lot B and Rao's Restaurant. I have looked at the items in the cart and it looks like bottles, magazines, socks, et al. Looking for the language to use to post it being abandoned.

Can you help me out?
